

SCHOOLS OUT FOR TERM 2 NEWSLETTER

PRINCIPAL AND DEPUTY PRINCIPAL REPORT

Congratulations, we have made it to the halfway point of the year. Term 2 is finished, and a well-deserved break beckons.

Thank you to the parents and Canteen who supported with the catering for the regional Mad Minute hosted at the Lucindale Town Hall, along with the Lions Club for coordinating across the region and providing the judges, timekeepers and helpers for the event to go ahead. Congratulations to Oliver, Amelia and Rebecca for representing Lucindale Area School.

We have had Footsteps Dance in our school for a couple of years now. It has been great watching our students develop skills and grow them. One thing I noticed is how quickly the students, who have been involved, follow instructions, and pick up new skills.

Their confidence in their ability to try new steps has grown in the short time and they enjoy being challenged by new and what I observed as complicated steps. Our students really enjoyed these sessions! Footsteps are to be commended on this fantastic program.

SRC Blue Day was held today, 7 July and was to raise money for Motor-Neurone Disease as this is a disease that impacts the motor neurones that send messages from the brain to people's muscles. In up to 95% of cases, the cause of this disease is unknown.

Students participated in the 'longest kick' competition in age groups and students had the opportunity to pour a bucket of icy water on Louis de Jager, Alisha Rothall, Denise Parkins, Melissa Thompson, Joey Kemplay-Hill and Jason Backler for a small donation which was great fun.

Mrs Jane Gill Year 7 teacher will be on leave for Term Three and in her place, we welcome Ms Rachael Byers to our school. We thank Mrs Olivia Jaensch Wellbeing Coordinator for her support and valued work been done during Term Two. Welcome back Ms Nat Austin as Wellbeing Coordinator after her term of Long Service Leave and hope she had a well deserve break.

LAS NEWSLETTER ISSUE 10 7TH JULY 2023

I hope that the students can look back on their learning achievements this semester with a sense of pride. As the first half of the 2023-year ends, I once again invite students to think deeply about their learning. I hope parents, that you will find the time to sit down with your child/children and to read through their reports with them, giving great encouragement to them to build upon their first semester results. Reports bring with them an opportunity for reflection and goal setting as we move to continue a successful learning journey in Term Three.

Term Three will bring several learning opportunities for students and parents, including SAPOL ThinkUKnow student and parent information sessions on Cyber-Safety, Life Ed, The Australian Maths Competition, Science Week and Book Week (more information to come!).

As we near the midway mark for the year, I take this opportunity to sincerely thank parents for their continued support of our students. For all the uniforms you wash, the lunches you pack (and unpack!), the never-failing taxi service you provide, the love you give and your willingness to be there no matter what. As always, it has been an extremely busy time and I wish you a safe and pleasant holiday over the coming few weeks.

A reminder to families that Monday, 24 July is a Student Free Day – Teacher Professional Learning Day with students returning to school on Tuesday, 25 July for Term 3.

Louis de Jager and Joey Kemplay-Hill

A message from Mr Maywald

Having had the majority of Term 2 off it has been wonderful to see the school through a parents lens and to have time to volunteer and pursue other interests. As we head into the second half of the year I have decided to take leave until January 2024 to continue to focus on work life balance and trial other options.

I thank all the students, the education team and families who I have caught up with for their support and am certain the school will continue to progress across the second half of the school year. While I will miss the day to day interactions of leading the school over the next 6 months, I am certain I will stay in touch and do my best to support as a volunteer.

I would also like to thank Louis for being willing to take on the principal role in my absence.

How much time do you have?

|  5 minutes |  15 minutes |  30 minutes |
|---|---|--|
| Try a breathing exercise: Inhale for 5 counts, hold for 5, exhale for 5, hold for 5, repeat. | Organize a small space in your home. | Download a mindfulness app. There are many free apps available online. |
| Dance or sing to a favorite song.  | Play with your kids. Do something simple like color or draw with them. | Play a game, work on a puzzle, or try a new online game. |
| Change position: stretch your arms, legs, and back. | Take a power nap.  | Join a parent support group on parentsanonymous.org . |
| Take a quick walk outside. | Call a friend or family member to catch up and check in. | Go for a jog, do tai chi, or any physical activity that makes you happy. |
| Water your plants or garden. | Take a bath or shower. | |

Hi Everyone,

I want to share my thanks for adopting me into your beautiful community for the term.

I have enjoyed seeing what goes on in your unique R-12 school. It was a wonderful opportunity to work with passionate staff to support a diverse range of students.

I have had fun teaching across the year levels, lighting gummy bears on fire in science and creating in the Library during Lego Club.

Next term I will be back at Penola High School teaching Food and Textiles and Health and Wellbeing.

Please take some time this 2 week break to practise self-care and acknowledge that you need to recharge.
Thank you again.

Please enjoy one more joke from me...
Why did the teacher where sunglasses to school?

Because their students were so bright! 😊

Olivia Jaeschke

19th -25th August - Book Week

25th August - SAPSASA Golf SE Regional "Come and Try" Day

Let's Make Melting Moment with Year 10 Home Economics

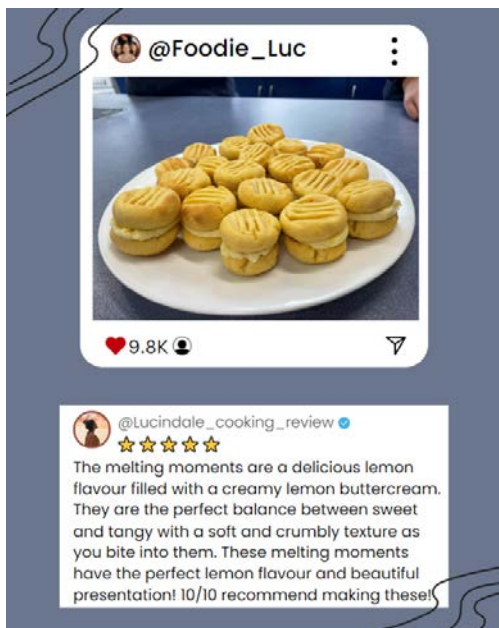

Below you will find the recipe from our Year 10 Home Economics class. The students recently embarked on a baking adventure and created the most heavenly treats: Melting Moments! Let's dive into this delicious recipe and discover the magic behind these mouthwatering cookies.

Melting Moments are delicate, buttery cookies that simply melt in your mouth, leaving a lingering sense of bliss. With their light and crumbly texture, these cookies are perfect for any occasion, whether it's a family gathering, an afternoon tea, or a simple indulgence after a long day. Let's look at how our talented Year 10 students brought these heavenly delights to life.

Alisha Rothall
Teacher

Check out our reviews....

DELICIOUS

Recipe

Ingredients:

- 250g unsalted butter, softened
- 1/2 cup icing sugar
- 1 teaspoon vanilla extract
- 2 cups all-purpose flour
- 1/2 cup cornstarch
- Additional icing sugar for dusting

Instructions:

1. Preheat the oven to 180°C (350°F) and line a baking sheet with parchment paper.
 2. In a large mixing bowl, cream the softened butter until it becomes light and fluffy. This process helps incorporate air into the mixture, giving the cookies their delicate texture.
 3. Gradually add the icing sugar to the creamed butter and continue mixing until well combined. The icing sugar adds sweetness and contributes to the cookies' melt-in-your-mouth quality.
 4. Stir in the vanilla extract, infusing the dough with its delightful aroma and flavor.
 5. In a separate bowl, sift together the all-purpose flour and cornstarch. This step ensures a smooth and lump-free dough.
 6. Gradually add the flour mixture to the butter mixture, stirring until a soft dough forms. Be careful not to overmix, as it can lead to a tougher texture.
 7. Roll the dough into small balls, about 2 teaspoons each, and place them on the prepared baking sheet. Make sure to leave space between the cookies to allow for spreading during baking.
 8. Gently press down the cookies with a fork, creating a pattern on the surface. This step also helps the cookies bake evenly.
 9. Bake in the preheated oven for approximately 12-15 minutes or until the edges turn golden. Keep a close eye on them, as baking times may vary.
 10. Once baked, remove the cookies from the oven and let them cool on the baking sheet for a few minutes before transferring them to a wire rack to cool completely.
- Dust the cooled cookies generously with icing sugar, adding an elegant finishing touch to these delectable treats.

French with R/1

bonjour

In Week 9 the R-2 French Open Access Teacher visited the two classes.

Madame Sanaz spent Lesson 3 and 4 with the 1/2 class and Lesson 5 and 6 with the R/1 students.

Students had the opportunity to continue their learning in person rather than via the TV screen using the online program.

Teachers**

Maths challenge with the Year 8's

Throughout term 2, the Year 8 Maths class have been learning about measurement and volume.

To conclude this topic, they were given a final challenge: to construct a prism (other than a cylinder) that would be able to perfectly hold the contents of a can of soft drink.

To be successful, students had first determined the dimensions they would need for their container to hold exactly 375 cubic centimeters.

They then constructed their shape and were ready to test (and taste!). The class did an excellent job and everyone's containers held the correct amount of soft drink.

United Nations Sustainable Goals with Sammy...

For the UN sustainable goals, it took me ages considering, I had a few days off too.

I used videos to explain my product to help with sanitation and clean drinking water.

The fact was 5000 children die every day due to preventable water diseases.

My goal was to help people by creating a water bottle filter to clean water for drinking or other uses.

P.E. with our Year 11's

Our Year 11 PE students have been completing a coaching assessment task.

Requiring students to delve into what makes a good coach, coaching styles and adapting your coaching style based on the athletes you are coaching.

BASKETBALL

Our Year 11 students ran Basketball coaching sessions with the year 5/6 class.

It was really great to see our senior students taking on leadership roles and working well with our younger students.

Teacher

AG Production News

It's been a busy few weeks for our Year 11 / 12 Agricultural Production students learning about a wide variety of livestock breeding technologies and husbandry tasks.

Last week students assisted Mr Regan Burow from Yerwal Estate AI our cattle herd.

This was then followed up with students taking leadership and showing skill competencies to crutch, drench and vaccinate our White Suffolk stud ewes in preparation for lambing.

**Carol Hille
Teacher**

On Wednesday they assisted Mr Will Tanner from Tanscan, to pregnancy scan these ewes to detect those carrying single or twin lambs.

Many thanks to both Mr Burow and Mr Tanner for their outstanding support of our Agricultural Program.

We look forward to calving and lambing time !

COWS CREATE CAREERS

Congratulations Ella, Layla and Lacey for taking out the Regional Cows Create Careers award for 2023.

They are now eligible to enter the National Competition for a chance to win our school \$3000.

Thank you to the sponsors of this program; SADA Fresh, MaxCare, Jaydee events and Boldview Farms Cher-Bar Ayrshires.

Well done girls, good luck in the national competition!

MaxCare
GROWING STRONGER EVERY DAY

Students from Reception to Year 9 participated in our annual Footsteps program. Our instructor this year was Ivy and she quickly developed a wonderful rapport with our students.

Students performed on Thursday afternoon; the R-2 danced to Prince Ali (from Aladdin - TMC Movie Tunez).

The 3-6 class performed to the song Scatman by Scatman John.

Year 7-9's danced to Tiesto's The Business.

For the first time the students also danced altogether to The Proclaimers - I'm Gonna Be (500 miles).

Well done to all the students who gave their best effort throughout the practice sessions and the final performance.

Thank you to the parents and community members who were able to attend!

SAPSASA NETBALL

with SAMMY...

Day 1 – We played 9 games all up and it was tiring, 3 games a day. Our first game was at 9.30 – we won that by a bit. 2nd was at 11.30 we won barely, game 3 was 1.30 and we won as well.

Day 2 – Games were at the same time as day 1. We won every game. We had one game and it was 44 to 1 our way.

Day 3 – First game was hard we drew with Southern Yorke Peninsula. They were hard it was 11-11

I got BEST PLAYER on day 1 and day 2.

BEST PLAYER!

Australian Junior Teams Championships with Tom...

Australian Junior Teams Championships 11&U Boys South Australian team

There was 12 kids and 4 coaches there was 3 kids in each age group so 3 kids in the 11 girls three in 11 boys 3 in 13 girls and 3 in 13 boys each team had their own coach my coach was Sasha. We stayed in a resort called Mercure it was nice.

The group that I was in the 11 boys finished 6 out of everybody there was 10 states but two of them were New Zealand and Pacific Oceania.

My favourite part was either staying as a team or playing tennis.

SAPSASA HOCKEY with Rebecca...

On my first day of SAPSASA we played in cold conditions not knowing what the weather was keeping in store for us.

We lost twice but then we won with the score 2 to 0. We also went out for tea at Mozza Pizzeria then went to the ice rink to watch an ice hockey game at the 'Ice Arena' in Adelaide.

On Thursday, we played in hail and mud. Really thick mud! We lost all our matches and three of us got hurt by the ball, including myself, on the same day.

On Friday, I loved when I was off the field in the warmth, it was FREEZING! We lost all our games and came 8th place, that was second to last. The boys team came third place out of ten.

CROSS COUNTRY with Bethany...

This term I have competed in SAPSASA Cross Country at Oakbank.

It was very wet and cold; I couldn't even feel my fingers from the weather. I placed 14th in the 12-Year-Old Girls.

Then I went to a second trial for the state team and placed 7th.

But to compete in Adelaide, I first had to compete at the Naracoorte Cross Country, where I placed 4th.

RUN

School Library News

As we finish off our last week of term, please support your child / children to return any library borrowings.

Upcoming event

In term three, the library will be offering digital lessons on Thursdays, aimed at people 50+, to learn how to use Android and Apple phones and tablets, and build confidence and knowledge.

Dates to be confirmed.

Advanced Notice

Each year the library joins in the The Children's Book Council of Australia, book week celebrations.

During this week we celebrate books, and Australian children's authors and illustrators, to promote the importance and joy of reading.

This year, **BOOK WEEK** runs from 19th August to the 25th of August.

During this week as part of our celebrations, we will be having a dress up day, where the whole of school, students and staff, come dressed as a book character.

This year's theme is "**READ, GROW, INSPIRE**". The July school holidays are a great opportunity to work with your child on their costume ideas.

Wishing you all a great midyear break.

Friday 21st July 9:00 am – 4:00 pm

**Please note the library will be closed on Saturdays for
the months of July and August 2023**

THE PUSH-UP CHALLENGE

The Push-up Challenge (June 1st to 23rd) took different shapes in different classrooms, but was successful in every one. Many teachers kept individual student tallies while others shared the load to complete the daily target. The Year 7, 8 and 9 classes amassed over 20,000 exercises per class!

Similarly, the Mental Health fact for the day was discussed at various levels and opened many people's minds up to the real problems of Mental Health.

The 5/6 class had some really thoughtful discussions. A special thank you to donors. We didn't seek sponsors this year, it was tricky enough to coordinate our first attempt. The donations were appreciated by the school and by Lifeline who we selected to support this time around.

Join your local SA Ambulance Service team in Kingston, Robe or Lucindale.

A strong sense of community is what drives SA Ambulance Service (SAAS) Regional Team Leader Taylor Martin.

Taylor grew up in Kingston SE and has returned to the region recently to take on the leadership role looking after the volunteer teams in Kingston, Robe and Lucindale.

Training volunteers and watching them take on new skills is rewarding to the Robe local.

"I am grateful to have the opportunity to give back to the community in this capacity," Taylor said.

"I feel the volunteers are responsible for keeping the ambulance service going and all of the credit should go to them," she said.

Kingston, Robe and Lucindale are all looking for volunteers in SAAS's recruitment drive Answer the Call.

Taylor said new volunteers would be most welcome, and they would be joining teams which were made up of people from diverse backgrounds.

"We have farmers, teachers, nurses, scientists and even a psychologist within my teams," she said.

"It is great to be surrounded by selfless, kind and a community driven group of people."

Taylor can also see the fun in working with a community she grew up in.

"Several volunteers have known me since I was a child, for example, Pauline Parsons who taught me in primary school and Vicki Natt who was the local postie, are both volunteers at Kingston."

Volunteers join the service from all walks of life, and no prior medical knowledge is required.

SAAS provides training, uniform and reimburses out of pocket costs such as travel and childcare. A fully qualified volunteer Ambulance Officer is awarded a Certificate IV in Healthcare, and volunteers and their families also receive free Ambulance Cover whilst volunteering for their communities with SAAS.

If you are interested in becoming a volunteer, SAAS is hosting a free online information session on Wednesday 19 July at 7pm. Hear from volunteers at SAAS about why they've joined and what it's like. Head to [Eventbrite \[https://www.eventbrite.com.au/e/free-ambulance-volunteer-information-session-tickets-663358371747\]](https://www.eventbrite.com.au/e/free-ambulance-volunteer-information-session-tickets-663358371747) to secure your place.

NARACOORTE LUCINDALE COUNCIL

Monthly Council Meeting Tuesday 25th 2023 at 5pm in the Council Chamber, DeGaris Place, Naracoorte

Carter Solid Competitor at Keith

Aden in Year 9 shot a stellar round at Keith Field and Game last weekend.

Aden shot a round of a possible 75 shots against strong competition.

36 Shooters enjoyed the fine weather and targets. Aden enjoys his shooting and has some great coaching mentors.

Aden shoots in C grade rather than the junior level due to numbers.

HATTAH 2k23

with the Gear Brothers...

Last weekend the Gear boys found challenging conditions and still came out on top.

Davey, in his time trials, prologue, came first with 1.164 seconds in front of his next rival.

On Saturday, during the 6 lap race (about 2 hours) Davey started first and over half way had technical difficulties with his clutch.

He then was overtaken from first and the next lap, he was coming down the straight and crashed and was knocked out.

Although he was disappointed, we are very proud of him.

Ollie came second overall. In prologue, Ollie came fifth and during the race he passed all the people in front of him. The laps were consistent with Ollie coming in second in the lengthy race.

The next race is near Tintinara in two weeks time and we wish the boys all the best.
