

# TERM 4 WEEK 6 NEWSLETTER

## PRINCIPAL AND DEPUTY PRINCIPAL REPORT

Dear Families,

As we have now passed the halfway point of the term we are preparing for a number of end of year celebrations. It is now that we can really begin to reflect upon the year we have had, the ups and the downs and how it has brought us together as a community.

We were deeply saddened to hear of the loss of our Brevet Sergeant Jason Doig. Jason has been a wonderful support to Lucindale Area School and the community, and he will be dearly missed. On behalf of the Lucindale Area School community we pass on our sincere condolences to his friends and family.

There has been wonderful progress on our Indigenous Garden Development, led by our teacher and artist extraordinaire, JoJo Spook with the support of Aunty Michelle. Students from all years have participated in mural painting and imprinting into clay tiles to make up the pathway. It has been a fantastic opportunity for all year levels to come together to recognize, celebrate, and learn about Indigenous culture. We look forward to it being completed soon to be shared with our current and future students and staff.

Over the past weeks, students from Reception to Year 10 have participated in school swimming with our PE teacher, Alisha and our Department for Education swimming instructors. Students have learnt vital skills about water safety and swimming techniques. We are truly fortunate to have our community swimming pool to support the development of our students in the water. It has been fantastic to see our students' confidence in the water grow throughout the program. Swimming is a skill for life and we hope by engaging in our water safety program, we can minimize the risks associated with young people around water.

Sunday the 19th of October Lucindale Area School hosted a 'Fishing Day' as a fundraiser for the school. Community members came together to fish and enjoy each other's company in our school grounds. A huge thank you is needed for Carol, Brad, and our Senior Agriculture students for organizing such a fun and successful day.

The end of the year is fast approaching, and with it our Presentation Night and Week 9 activities. Please take the time to read the end of year information letter that has been sent out via Edsmart to clarify when your student is to finish and for Secondary students, the procedure required for them to see out the year. We have several fun activities planned for students to mark the end of the 2023 school year and it would be great to see students in attendance.

# IMPORTANT DATES

## NOVEMBER

- Kindy Transition Day

- Presentation Night, 5pm, Lucindale War Memorial Hall

## DECEMBER

- Primary Assembly 2:15pm

- Transition Day, Year 7 onwards

- R/1/2 Millicent Playground Excursion

- Beach Day, Year 7 to Year 10

# BREVET SERGEANT JASON DOIG.

Tuesday 21st November was an opportunity for the local community to pay their respects to Brevet Sergeant Jason Doig.

SAPOL held a wreath laying service and our secondary & junior primary students made a wreath to show that we have been thinking of Jason, his family and colleagues and our local community. The secondary students used items sourced from our school farm - vine branches and native flowers.

The R/1/2 students decorated a cut out of their hands and some asked to write a little message on their hand about Jason. School Captain, Dominic laid the wreath and supported Junior Primary students Billy, Corey, Abel and Bodhi to lay their wreath on behalf of their classes.

# SCHOOL SWIMMING

The students have enjoyed their swimming program this year and we are extremely thankful for having the opportunity be involved in the program with wonderful local instructors Adele, Lindy, Leah, and Andrea.

# FISHING DAY 2023

An awesome fun filled family day was enjoyed in our aquaculture area last Sunday with many junior anglers reeling in some big fish!

After several years carrying out renovations to this area, it was wonderful to see so many people enjoying the day.

Huge congratulations to Mia on winning a \$50 ASI Outdoors voucher for catching a tagged fish.

Many thanks to all who came along and supported the day. We look forward to having another fishing day in Term 1 of next year.

Also a huge thankyou to ASI Outdoors for being proud sponsors of the day.

Don't forget to tag us and use  
#7dayonlinesafetychallenge

# 7 DAY FAMILY ONLINE SAFETY CHALLENGE

The Family Online Safety Challenge has been created for busy parents, carers or teachers to help protect the children in their care. It is designed to complete a simple task every day. Feel free to adapt it to what best suits your family. Good luck!

For more information and to  
access tools, resources and  
advice, reporting and support  
services, please visit:

[accc.gov.au](http://accc.gov.au)

[thinkuknow.org.au](http://thinkuknow.org.au)

[esafety.gov.au](http://esafety.gov.au)

## DAY 1

**Create a Family Online Safety Contract**

ThinkUKnow and The Carly Ryan Foundation have developed an online family safety contract to help manage the things a family might see, say and do online. Get a copy of the Family Online Safety Contract via [thinkuknow.org.au](http://thinkuknow.org.au).

Completed:

☐

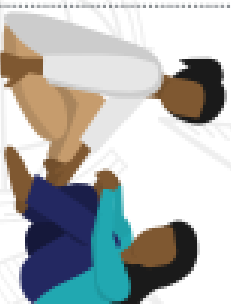

## DAY 2

**Review location, privacy settings and parental controls**

Review and turn off location settings, such as GPS, where they aren't necessary. Ensure privacy settings are secure, and set to 'Friends only' or 'Private'. Research parental controls to see if they are suitable for your family.

Completed:

☐

## DAY 3

**Sharing personal information online**

Have a discussion with your child about what information is okay to share, and what isn't. Remind them to never give out personal information online.

Completed:

☐

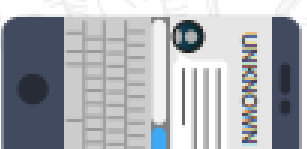

## DAY 4

**Find out what apps and games your child uses**

Take an interest in what technology your child uses and how they use it. Remember, not all apps and games are created equally, some have better safety features than others. Consider if the content is appropriate for your child.

Completed:

☐

## DAY 5

**Check Direct Message or chat functions on apps and games**

Anonymous 'in game' chat can provide a possible platform for online child sex offenders to target young people. Consider disabling these functions or check settings to ensure they can only be contacted by their friends.

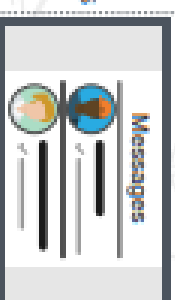

Completed:

☐

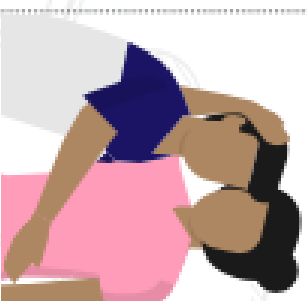

## DAY 6

**Suspicious online behaviour and what it looks like**

Have a conversation with your child about suspicious online behaviour. Discuss with them why someone might ask them personal questions or for images. Remind them that not everyone online is who they say they are and to trust their instincts.

Completed:

☐

## DAY 7

**Help your child identify a support network**

Make sure your child feels comfortable talking to you or another trusted adult about issues they might be experiencing online. Start a conversation to help them identify who they might go to for help and support.

Completed:

☐

# MATHS WITH THE R/1S

The R-1 class have been experimenting with creating pictures using a variety of shapes and materials/objects.

The Receptions have explored sorting a collection of shapes into groups based on features – number of sides, colour, size and describing how the shapes were sorted.

The Year 1s have made, compared and classified familiar shapes including different circles, ovals, regular and irregular shapes.

# School Library News

Thank you for supporting our recent Scholastic Book Fair. The sales total for the week was \$1631.00. The Library receives a commission in Scholastic credits of \$407.00. These credits are used to purchase learning resources for the school, and prizes for next year's Book Week Dress up day. Any re-orders of stock will be distributed once they arrive at school, hopefully within the week.

Scholastic Book Club Orders for issue 8 of Scholastic Book Club are due by 1st December 2023. Please place your orders online directly with Scholastic.

As the school year comes to an end, all students must ensure they have returned any resources and books to the Library, prior to finishing for the year. Your assistance in supporting your child to do this is greatly appreciated.

## **New Library furniture**

Thank you to the Naracoorte Lucindale Council who have very generously contributed \$4250.00 to joint fund new study booths for the Library. These booths are for use by both the students and community. The booths offer better sound proofing and comfort for users. If you haven't visited the library for a while, you are more than welcome to visit.

**Kerena**

# **LIBRARY OPENING HOURS**

**MONDAY 9:00AM – 4:00PM**

**TUESDAY 9:00AM – 4:00PM**

**WEDNESDAY 9:00AM – 5:00PM**

**THURSDAY 9:00AM – 5:00PM**

**FRIDAY 9:00AM – 4:00PM**

**SATURDAY 9:00AM – 11:30AM**
